

UTU day celebration on the theme of “Plastic Disposal and Recycling” on 17th October, 2019.

SRIMCA has organized event “**Awareness Regarding Plastic Disposal and Recycling**” as part of **UTU day celebration on 17th October, 2019**. Around 30 students of BCA 1st semester, 15 students of MCA 3rd and Integrated MCA 7th semesters got participated in event. The team of students presented posters and demonstration of actions that can be taken for “Plastic Disposal and Recycling” for saving environment from plastic pollution. The event was coordinated by Mr. Kevin Bhavsar. The event took place at SRIMCA Dome from 11: 55 PM to 1:45 PM. Around 200+ students and faculties visited SRIMCA Dome and admire the event. The participants presented and acquainted the students and faculties about disadvantages of using plastic in day to day life. SRIMCA appreciates the work done by the students and motivates them to carry out the type of awareness activity for the society.
