NATIONAL JOURNAL OF SYSTEM AND INFORMATION TECHNOLOGY

NJSIT

"NATIONAL JOURNAL OF SYSTEM AND INFORMATION TECHNOLOGY (ISSN 0974-3308)" is a peer reviewed bi-annual journal published by Shrimad Rajachandra Institute of Management and Computer Application (SRIMCA), constituent institute of UkaTarsadia University – Bardoli.

NJSIT aims to encourage contribution of knowledge through research-based papers, articles and case reviews on various topics of current concern of Computer Science & Information Technology. The journal focuses on original theoretical, empirical research or experience, illustrating the practical applicability and/or policy implications of work described as well as case studies of research oriented nature.

CALL FOR PAPERS

SRIMCA is about to release NJSIT's 7th Volume and 14th Issue very soon. In its endeavor for excellence and innovation the institute announces call for papers for the December 2014 issue. In an attempt to inspire researchers, academicians and professionals as our authors, publications with NJSIT shall lay no submission fees.

SUBMISSION DATES

Manuscripts can be submitted to the Editor round the clock. Last date for June issue is 20th May and for December issue is 20th November every year. Grab the opportunity soon and send in your articles at the earliest. Please circulate this mail amongst your colleagues and friends of interest. Suggestions are openly invited. We look forward to your positive and continued response.

IMPACT FACTOR & INDEXING

NJSIT has Scientific Journal Impact Factor (SJIF) value of 3.894. The journal is indexed at JOURINFORMATICS (http://www.jourinfo.com/indexed-journal-10.html) and SCIENTIFIC INDEXING SERVICES (http://sindexs.org/JournalList.aspx)

SCOPE: Papers are invited from list of the themes mentioned below and beyond the list.

- Computer System Architecture
- Operating System
- Computer Networks
- Distributed Computing
- Grid, Cloud, Green Computing
- Data Structure & Algorithms
- Database Systems
- Data Mining and Warehousing
- Natural Language Processing
- Computer Graphics & Multimedia
- Image Processing
- Knowledge Management
- Artificial Intelligence & Expert System
- Bioinformatics Neural Networks & Fuzzy Logic
- Content Management System
- Software Engineering & Software Testing

SUBMISSION OF PAPERS:

Prospective authors are requested to submit the research paper in IEEE format to the Chief Editor of NJSIT by an e-mail to editor.njsit@srimca.ac.in. Upon acceptance of an article for publication, it is mandatory that the copyrights shall be owned by NJSIT. Details and relevant information can be sought at http://SRIMCA.edu.in/NJSIT.htm.

REVIEW PROCESS:

The Editorial committee first evaluates all manuscripts for plagiarism. Those manuscripts rejected at this stage will not be sent to the reviewer panel for review process. The manuscripts that meet the minimum criteria are reviewed by at least two referees. Positive recommendations of the referees for the manuscript will be considered for the publication. The qualitative blind review process usually takes 2 to 3 months.

PUBLICATION:

The accepted papers will be published in hardcopy.

For more details or any further correspondence please write to:

editor.njsit@srimca.edu.in
